Children's Arrival and Dismissal

For in-person worship:

- CC teachers will be sitting in the back row of the church
- Parents can do one of two things:
 1. Allow their children to sit with the teachers in the beginning of the service
 2. As the service is transitioning to pastor's sermon, send their children to the back rows
- At the end of CC, teachers will bring students to the balcony area towards the end of service (11:00-11:15)
 - When service ends, the children will be dismissed to the lower level to meet their parents

Children's Arrival and Dismissal

For Virtual worship:

- Zoom will be opened once the teachers and students arrive in the computer room
- When In person class ends, we will close the zoom room

COVID-19 Protocol

- CC teachers will walk students to the computer lab at 10:30 AM
- Once in the room, students will sit two to a table (preferably next to their siblings)
- CC teachers will create a seating chart that can be shared with parents
- Masks will be required during the entirety of the in-person class
